

Regional Level Sponsorships

Construction Angels is a 501(c)3 Non-Profit Organization benefiting 'One of our Own' in the construction industry. Our **MISSION** is to provide immediate financial assistance and grief counseling to the children and spouse left behind when a construction worker is involved in a work-related fatality. We offer construction Scholarship opportunities to qualified applicants, and additional Scholarships to surviving children of a fallen worker. Our **VISION** is to be an immediate source of support to construction families when the unthinkable happens. We believe in the importance of promoting family values, job site safety, continued education and the constant support of our industry. According to the Bureau of Labor Statistics, they estimated 7.2 million people working in the construction industry with projected steady growth. OSHA reports there are well over 5,000 work site deaths each year in the USA, over 20% are in the construction industry. This is approximately 3.5 construction workers killed every day in the United States.

By supporting Construction Angels as a Regional Sponsor, you will be showing our industry that you understand the dangerous industry they work in and care about them and their families. We need assistance from generous and caring companies like yours to help these families. Below are our yearly Regional Level Sponsorships. Please contact us directly if you are interested in becoming a Regional Sponsor or any additional questions. Thank you for taking the time to consider partnering with our construction charity! ***Regional Sponsors are 3+ states**
